Paris La Défense, France, 12 September 2018

This is to certify that Fast Lane is a Veeam Authorized Education Center

Fast Lane can deliver official Veeam Certified Engineer (VMCE) training courses, either as classroom or live online instructor led training classes, in Bahrain, Egypt, Iraq, Kuwait, Lebanon, Oman, Qatar, Saudi Arabia and The United Arab Emirates.

VMCE program details can be found on <http://www.veeam.com/vmce.html> and a list of authorized education centers can be found at <https://www.veeam.com/vmce-education-centers.html>

Sincerely,

Simon Yarwood

EMEA VMCE Program Manager
